**THAMES VALLEY
ADVENTURE
PLAYGROUND**
Bath Road, Taplow, SL6 OPR

Since 1982 the Thames Valley Adventure Playground has offered a unique range of adventurous, therapeutic and educational play activities in a safe, caring and stimulating environment, catering for both children and adults with all types of disability, however mild or profound.

Our indoor facilities boast a large interactive Soft Play area with ball pool and intelligent lighting. Multi-sensory and music rooms offer the latest technology for both stimulation and relaxation. Inside the main playroom you can enjoy arts and crafts, dressing-up and quiet areas as well as lots of toys and games. Our changing areas and toilets have wheelchair and hoist access.

Outside, in the secure play areas, you will find a wonderland of exciting, robust equipment just waiting to be explored. The area around the building is home to our wheelchair roundabout and swings. Follow the pathways past the sand pit and splash pool, under the "wobbly bridge" and through the gardening areas, down to the Castle - a climbing structure with a huge slide, fireman's pole and rope bridges. Whizz down the zipwire, safely ensconced in a specially-designed bucket seat. Beyond are picnic areas and the entrance to the walk through the woods. Use the elevated walkways to view the lake before you return to the sand pit or venture on to the safety surfaced games areas with adapted bikes and electric cars. Visit our activity annexe overlooking the lake, with its craft area and activity spaces. Enjoy a game of crazy golf or visit the toddlers' area.

The Playground experience is totally unique and offers something for everyone. It has no formal catchment area, and users come from a wide area across the Thames Valley and beyond. They visit with their families and as individuals, or with groups from schools, playschemes, day centres and residential units.

The Thames Valley Adventure Playground is an OFSTED-registered day care facility, run by a voluntary Board of Trustees. On-site care is provided by 4 full-time, 3 part-time and 10 sessional staff, supported by a loyal band of volunteers.

As a Registered Charity with annual running costs in excess of £350,000, as little as 5% of what we need to raise each year comes through Local Authority grants. For the remainder, we rely heavily on the efforts of our fundraising committees and the support of local people, business community and organisations. We hope for a small contribution from our users, but no-one would be excluded for lack of funds.

Open Tuesday to Saturday all year round, Fridays are reserved for special needs adults only. The Playground is also used by our youth club and several local parent support groups.

Over 14,700 visits are made each year, and with up to 60 special needs users visiting the Playground each day (over 2,000 visited us during the last Summer Holidays!), advance booking is essential!

For more information, please call us on 01628 628599, or visit our website, www.tvap.org.uk.
